MANY MAYBES / CHALLENGE 01

Your first idea is only one.

Keep every original mark visible and preserve their relative positions.
You may rotate or uniformly scale the whole starter. Do not move, erase
or rotate individual marks. Add freely: lines, shapes, words or colour.
Explore three meanings: an object, a place and something happening.
Use spare paper for alternatives. Rough sketches count.

Title: _____

What assumption did you change?

Try viewpoint, scale, time, function, material or a trace of something absent.

_____

_____

One start. Many possibilities. Sharing is optional.

Scan for the challenge, examples and how to share.
