MANY MAYBES / CHALLENGE 01

A few marks, many possibilities.

Turn the marks into an unexpected scene, object or idea.

Keep every original mark visible, in place and in its original orientation.
Add lines, shapes, words or colour. Give your interpretation a title.
Paper or pixels. Rough sketches welcome. There is no single correct answer.

My title: _____

What surprised me? _____

One start. Many possibilities.

Scan for examples, optional code and how to share your work.

trymanymaybes.github.io/challenge-01.html

Scale the whole starter uniformly if needed. Do not move individual marks.
